

Rapid Repairs' Value Price List

Rapid Repairs' Value Prices are fixed labor prices. This will be the labor price for the most common home repairs. There is a \$40 discount for second and additional Value Priced Jobs ordered at the same time. For residential customers there are no destination or travel charges and no charge for time not on the job-site. There may be a surcharge for emergency calls or confined space work.

Carpentry Repairs Labor Price

Deduct \$40 on each additional Value Priced Job ordered at the same time
material extra
